

### No Show/Cancellation Policy

**No Show Policy:** When you schedule an appointment with Piedmont Endocrinology, we set aside enough time to provide you with the highest quality of care. We expect patients to be present at all scheduled appointments. We reserve the right to charge a **\$50** missed appointment/late cancellation fee if there isn't a 48-hour notice.

**Missed appointments:** After two "No Shows" or late cancellation appointments you may be dismissed from our practice.

These fees are charged to the patient, not the insurance company, and are due before the appointment can be rescheduled.

We understand there may be times when unforeseen emergencies occur and you may not be able to keep your scheduled appointment. If you should experience such circumstances, please contact our Office Manager (828) 322-7338 ext 102 to discuss the fees.
